

GEORGIA PUBLIC-PRIVATE PARTNERSHIP FOR TEEN PREGNANCY PREVENTION

Coordinated Funding

Long Term Goal: By October 2015, we will have strengthened the coordination of funding among public/private partners for teen pregnancy prevention efforts (including) the supporting infrastructure) that deliver evidence-based programs and practices in the 11 counties.

Objective One: Align/coordinate funding strategies across public and private funders through a Strategic Investment Plan that matches funds with needs, and uses resources wisely.
